

## PRESTON HOLLOW PRESBYTERIAN SCHOOL

Dear Penny,

Thank you so much for the beautiful library you helped create at Preston Hollow Presbyterian School.

Your professionalism Combined with knack for being able to walk right in and see the potential of our small space enabled us to all work together to create a modern, functional, and highly appealing aesthetic for our children.

The colors, textures and overall palette turned out beautiful!

Thank you again for making the process both fun, seamless and for ensuring the library was ready before the start of the school year.

I look forward to hopefully working with you again soon!
