Re: **Libra-Tech Corporation**
Letter of Recommendation

To whom it may concern:

Pueblo City-County Library District contracted with Libra-Tech Corporation for the \$12.5M renovation of its 110,000 sq. ft. main Robert Hoag Rawlings Library to provide movement of books, materials and archived items. Additionally, Libra-Tech disassembled and reassembled existing library shelving and provided new shelving.

During this multiphase renovation, Libra-Tech was professional and efficient. They took great care with our books, materials and especially our archive materials. They are experts in their field and very knowledgeable about library systems and shelving.

I strongly recommend them and look forward to working with them again on future projects.

Sincerely,

Sherri Baca
Executive Director
